

### **ACTION TAKEN REPORT -2024**

#### **Action taken report based on students' feedback analysis**

- To adopt more newer /innovative teaching learning methods
- Sensitizing students regarding availability of curriculum time table and value-added course on college website. Also, to share the same information during foundation course and by each department at the beginning of each respective phase.
- Meticulous planning and Strict adherence to the time table

#### **Action Taken Report Based on Faculty Feedback Analysis**

- Improved training of faculty in use of LMS and streamlining the problems with the present LMS by regular meeting with LMS providers
- Action taken report based on employer feedback analysis
- Will continue to provide the quality education to students with good infrastructure, well trained faculty and reboot curriculum

#### **Action Taken Report Based on Parents Feedback Analysis**

- Communication with administrator, teacher and hostel faculty / incharge would be improved by providing one point contact for UG and PG queries like time table , exam dates ,holidays , fee structure, admission details or any other queries
- Having a session during foundation course on the institutional support for psychological/ adjustment problems faced by the students
