

KAHER's JGMM Medical College, Hubballi

Department of Pathology

National Pathology Day Celebration-13th April, 2024

On the eve of National Pathology Day-2024, Department of Pathology, KAHER's JGMMMC Hubballi conducted InstaVoice (Pick and speak on topics related to general pathology) and ArchiPath (model making in topic related to systemic pathology) competitions for IInd phase MBBS students.

InstaVoice preliminary round was conducted on 3/4/2024 for all the students in small groups. Best 2 speakers were selected and a total of 14 students were short listed for the finale. For the ArchiPath, students were divided into 9 groups. Models of Rheumatic Heart Disease, Valvular vegetations, Emphysema, Carcinoma Colon, Inflammatory Bowel Disease, Cystic Kidney Diseases, Ovarian tumours, Hodgkin Lymphoma and Multiple Myeloma were prepared and displayed by student groups followed by a short presentation. Enthusiastic participation and beautifully presented hand made models were a testament to the success of this year's National Pathology Day.

We thank our Chief patron and Chancellor Dr Prabhakar Kore sir, Vice chancellor Dr Nitin M Gangane sir, Registrar Dr M.S.Ganachari sir , Director Hospital Development and New Projects Dr V D Patil sir for giving us opportunity to conduct the event. We thank our Principal sir Dr M G Hiremath for constant support and Dr Sharada Metgud, Vice -principal for gracing the occasion. We thank all the judges, HODs and faculties of Pre and para dept for taking out their time, encouraging students and making the event a memorable one.
