**Department of Pharmacology**  
**National Pharmacovigilance week celebration**

**17th to 23rd September 2023**

**To enhance the awareness about the importance of  
Adverse Drug Reaction (ADR) reporting and  
Pharmacovigilance program among second year medical  
Students.**

**1. Poster competition**

**Celebration was initiated on 10th September with poster and  
Model making competition, a group of 10 students were  
Assigned either a poster or model to make, related to the  
Theme of pharmacovigilance. 77 second year medical students  
Were involved and had come with high quality 8 posters  
Related to pharmacovigilance theme.**

## **2. Model making competition**

As a part of celebration 70 second year medical students were involved and come with 7 high-quality well-crafted Models related to this year theme. Both posters and models were displayed whole week for celebration and was judged by our subject experts from JNMC medical college BELAGAVI.

## **3. Pharma quiz competition**

On 15th September, the screening round was held for a "Pharma quiz 2023" competition with involvement of 32 Second year medical students. Out of 32 students, 12 were Qualified and divided into four main groups. The final round was held on 4th October, which was moderated and chaired by our own professors, and it was a grand success.
